

Naples, November 28-29, 2018

Executive Committee Meeting: November 2018

WCI Executive Committee members held their meetings on November 28-29, 2018. For two whole mornings, WCI's Executive Committee met at the Aria Meeting Room and used Zoom (a video conferencing program) to communicate with those members unable to travel to Naples.

We are very proud to have held our first Zoom Meeting successfully. We would like to thank Reem (WCI Regional Membership Chair to Africa, Israel, and the Iberian Peninsula) and Morten Iversen for introducing us to Zoom and for their technical assistance during our first Zoom Meeting.

Libby Cottingham, WCI Regional Membership Chair to the United States and Canada, graciously hosted WCI Executive Committee Meetings.

WCI has a group of talented and committed ladies who serve on the Executive Committee. In every occasion, these ladies always do their best to help WCI continue to grow as an international organization in its mission to make a difference in the world.

Report by Maria Fernanda Arduino, WCI President (2016-2019)

We invite you to view some photos selected by WCI Directory Chair, Isabel Etkin, in remembrance of this happy occasion.
